

# Christmas pillow fight

Pillow fighting is the favourite game of a group of children. In this game, each child brings a pillow with a picture on it. If three children each have the same picture on their pillow they can form a team. If more than three children have pillows with the same picture, only three of them can form a team. Two teams cannot use the same picture on their pillows. Children who cannot form a team do not get to play for that day.

The picture shows the pillows that 22 children brought today.

## QUESTION

How many children did not get to play today?

- A. 0
- B. 7
- C. 10
- D. 13
