

Christmas lights colours

Jack is going to Alice's Christmas party. He can't see colours clearly. To him, blue (A) looks the same as orange (C). Also, purple (D) looks the same as red (E). Alice decorated the room with four different rows of coloured Christmas lights shown below.

QUESTION

Only two rows of lights look the same to Jack. Which two?

- A. Row 1 and Row 2
- B. Row 1 and Row 3
- C. Row 2 and Row 3
- D. Row 3 and Row 4
