

Wrapped chocolates

The elves' chocolate factory has a robot that can turn two basic wrapped chocolates into one Deluxe chocolate with a new shape and wrapper colour. The basic chocolates have three different shapes , ,  and three different wrapper colours , , . The rules for making a Deluxe chocolate are given in the two tables below.

Rules for Deluxe shapes			
1 st shape	2 nd shape		New shape
		→	
		→	
		→	
		→	
		→	

Rules for Deluxe colours			
1 st colour	2 nd colour		New colour
		→	
		→	
		→	
		→	
		→	

For example,  +  → .

The elves' robot needs to follow multiple rules to make some chocolates.

QUESTION

The elves' robot starts with these four chocolates    .

Which of the following Deluxe chocolates CANNOT be made from them?
