

# Christmas cake

Oisín is decorating a Christmas cake for his granny. She wants her cake to have:

1.  Three cranberries at each of the four corners.
2.  No more than three slices of orange on each of the left and right sides.
3.  Two pairs of marzipan holly leaves on both top and bottom.

## QUESTION

Which of these cakes is the right one for Oisín's granny?

A.

B.

C.

D.
