

# Christmas market

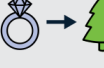

Betty wants to get a fir tree  for Christmas. She goes to the beavers' Christmas market to get one.

The beavers' Christmas market uses a swapping system. At each stall, two different swaps are possible.

Betty brings a carrot to swap.

This swap guide lists the possible swaps at each of eight stalls:

							
or	or	or	or	or	or	or	or
							
<b>A.</b>	<b>B.</b>	<b>C.</b>	<b>D.</b>	<b>E.</b>	<b>F.</b>	<b>G.</b>	<b>H.</b>

## QUESTION

What order should Betty visit the stalls to get a fir tree for Christmas?

- A. Stall D, Stall G, Stall E
- B. Stall H, Stall A, Stall E
- C. Stall A, Stall B, Stall E
- D. Stall A, Stall H, Stall E
