

Snow sprint

Three very fast elves race to Santa's sleigh.

Green Sleeves will overtake one elf when running uphill.

Yellow Clogs will overtake one elf when running downhill.

Blue Mittens will overtake one elf when running across ice.

The elves run over ice, then uphill, more ice, and then downhill. Green starts in first position, followed by Blue and then Yellow.

QUESTION

In which order will the elves finish the race?

- A. Green, Blue, Yellow
- B. Green, Yellow, Blue
- C. Blue, Green, Yellow
- D. Blue, Yellow, Green
