

Halloween party

Betty Beaver is friends with all the forest animals. Unfortunately, some of them are not friendly with others.

- The Rabbit is not friends with the Fox, but is a friend of the Bear.
- The Squirrel is not a friend of the Bear, but is a friend of the Fox.
- The Owl is a friend of the Reindeer, but quarrels with the Raccoon.
- The Reindeer quarrels with both the Deer and the Hedgehog.
- The Raccoon is a friend of the Rabbit, but quarrels with the Fox.

Betty has a Halloween party and arranges two tables so that the animals sitting at each table do not quarrel, and friends sit at the same table.

QUESTION

Place the animals around the two tables. Draw a line from each animal to a suitable seat.
