

Costume party

Bruno is hosting a costume party for Halloween. His five friends are planning what costumes to wear. They each want to dress up as a different character. The available costumes are:

Dinosaur

Magician

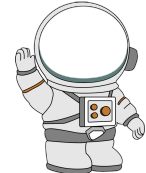

Superhero

Pirate

Astronaut

Each friend has a different preference for their costume:

- Laura wants to be a dinosaur or a magician.
- Diego wants to be a superhero or a pirate.
- Maria wants to be a superhero or a dinosaur.
- Pablo wants to be an astronaut or a dinosaur.
- Sofia wants to be a superhero or a pirate.

QUESTION

Who will wear which costume? Connect the names to the costumes.

Laura

Diego.

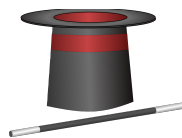

Maria

Pablo

Sofia

Dinosaur

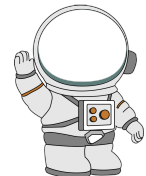

Magician

Superhero
