

Dinner time

Cindy, Denis, Eric, Frank, and Gloria met in a restaurant.

We know a few facts about their orders:

- Each item on the menu was ordered at least once.
- Each person ordered a soup, a main dish, and a drink.
- Eric, who ordered the same soup as Frank, chose pasta as his main dish.
- Of the two persons who ordered vegetable soup, one selected chicken and one selected beef as their main dish.
- Gloria ordered orange juice and salad.
- Coke was ordered only by Cindy and Denis.
- One person who ordered tomato soup also selected pizza and orange juice.
- Cindy ordered chicken as her main dish.

QUESTION

What did each person order?

	Soup	Main dish	Drink
Cindy			
Denis			
Eric			
Frank			
Gloria
