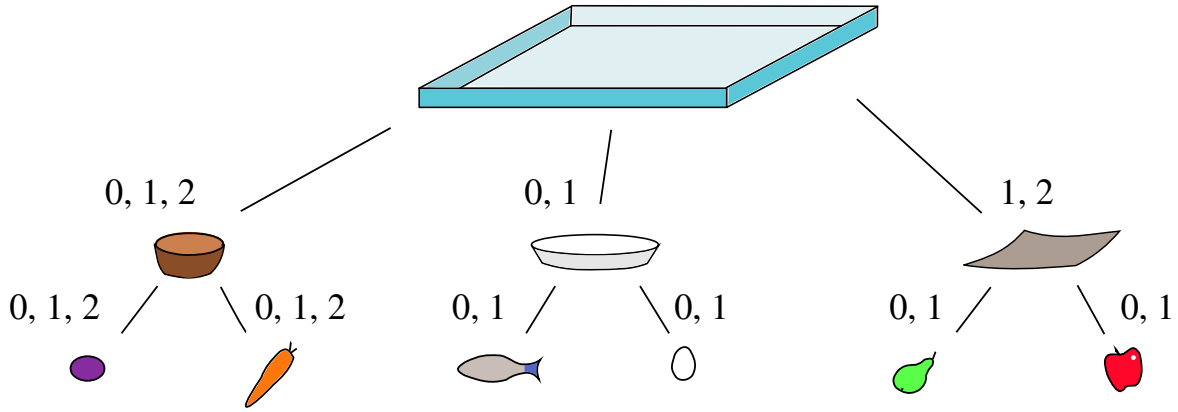
Lón béabhair

Hmmm, céard a íosfar don lón inniu? Tugann an bhialann treoracha le lón béabhair a roghnú. Taispeántar iad i bhfoirm léaráide:



Is féidir trí chineál coimeádán a chur ar thráidire (donn, bán, liath). Úsáidtear na coimeádáin éagsúla don dá earra bia a thaispeántar fúthu. Léiríonn na huimhreacha cé mhéad de gach cineál earra is féidir a chur ar an gcoimeadán. Mar shampla, is féidir gan iasc ar bith a chur ar phláta bán nó iasc amháin a chur air, agus gan ubh ar bith a chur ar phláta bán nó ubh amháin a chur air, agus is féidir gan pláta bán nó pláta bán amháin a chur ar gach tráidire.
