

# Irish breakfast

Áine, Brendan, Cian, and Dearbhla are cooking a full Irish breakfast to celebrate St. Patrick's Day. They go to the supermarket to buy four ingredients: eggs, sausages, baked beans, and tomatoes.

In total, they buy eight items: two cartons of eggs, two sausage links, two tins of baked beans, and two tomatoes.

Each person buys two different types of ingredients. Also:

- Áine buys eggs, but Brendan does not.
- Cian and Brendan buy baked beans.
- Dearbhla and Cian buy one item in common.
- Brendan does not buy sausages.

## QUESTION

**If Áine and Dearbhla both buy one item in common, what item must it be?**

- A. A carton of eggs
- B. A link of sausages
- C. A tin of baked beans
- D. A tomato
