

# Animal competition

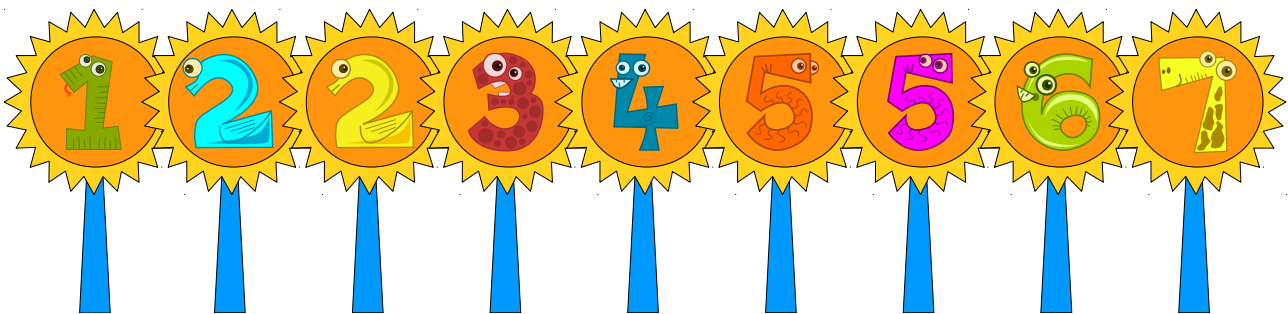

The beavers and dogs had an outdoor swimming competition. In total, nine animals took part.

The nine animals had the following scores: 1, 2, 2, 3, 4, 5, 5, 6, 7.

No dog scored more than any beaver.

One dog had the same score as a beaver.

Two other dogs also had the same score as each other.

## QUESTION

How many dogs took part in the competition?

- A. 2
- B. 3
- C. 6
- D. 7
