

A Day at the zoo

Ann, Brendan, and Clara are visiting the zoo today. The zoo map shows animal zones and three entrances. It also shows the paths between points, and the time it takes in minutes to walk along each path.

Ann enters the zoo via Entrance A, Brendan enters via Entrance B, and Clara enters via Entrance C. They wish to select a point to meet. None of the friends should have to walk more than 15 minutes to the meeting point.
