

# Toothbrushes

After the lovely Christmas treats, it is time for teeth brushing. Each child should have a toothbrush that matches their size, but in the picture each child has the wrong toothbrush!

“Not so fast!” says Dad. “Dara and Emer, please swap your toothbrushes. Next, Brín and Cait, please swap your toothbrushes.” And then he got distracted when carol singers came to the door.

## QUESTION

Which pair still needs to swap so that each child will have the correct toothbrush?

- A. Áine and Dara
- B. Brín and Dara
- C. Áine and Emer
- D. Brín and Emer
