

Valentine's treats

Alice, Bob, Charles, and Dorothy are celebrating Valentine's Day with a party. They share two boxes of chocolates, two cupcakes, two doughnuts, and two ice cream cones.

Each person takes two treats each of a different type. Also:

- Alice and Bob do not have any type of treats in common.
- Charles has a box of chocolates.
- Dorothy has a cup cake, but Alice does not have a cup cake.
- Bob has a doughnut.

QUESTION

Which treats does Alice have?

- A.** A box of chocolates and a doughnut
- B.** A cup cake and an ice cream cone
- C.** A cup cake and a doughnut
- D.** A box of chocolates and an ice cream cone
